LIFE HISTORY CALENDAR INSTRUCTIONS

Before reading these instructions please make sure you have filled out the back of the front page with contact information.

Use **X's only** for <u>start</u> and <u>end</u> dates, and use lines for continuation. If you started doing something before August 2007, start with a continuation line, <u>not</u> an X. If you still are in a given situation when you complete the life history calendar, end with a continuation line – do <u>not</u> end with an X.
